

Arzoo Pervaiz

Healthcare Executive • Author • Speaker on **Resilience, Identity & Difference**

Bring the Built Different message to your stage.

Arzoo Pervaiz is a healthcare executive and author of *Built Different: A Memoir of Difference, Survival, and Becoming*. Diagnosed with Myotonia Congenita in 2023, she spent years masking her pain and performing normalcy — until she chose to stop hiding. Today she helps audiences turn what makes them different into what makes them powerful.

MHA — George Washington University

PMP Certified

Yale Women's Leadership Program

Published Author

Signature Talks

Built Different: Turning Difference Into Power

Resilience, identity, and the hidden cost of masking who you are.

The Invisible Fight: Disability, Advocacy & Belonging

Living and leading with an invisible neuromuscular condition — and why visibility matters.

Healing Out Loud: Mental Health, Survival & Becoming

Honest tools and hard-won lessons for moving from surviving to becoming.
